

Best Bar None Ontario Extends Application Deadline to February 28, 2014

Best Bar None Ontario is pleased to announce that an extension of the application deadline will be made for the industry led program until February 28, 2014.

Due to the busy holiday season in Toronto, including the Toronto Entertainment District, and the new launch in the ByWard Market in Ottawa, liquor sales licensees have requested additional time to ensure they can complete and send in their applications for Best Bar None Ontario accreditation.

To be eligible for Best Bar None Ontario accreditation, you must have a clean compliance record with the Alcohol and Gaming Commission of Ontario (AGCO) since October 1, 2012.

Best Bar None is an industry led, international annual accreditation and awards program recognizing licensed businesses who maintain the highest standards in the sale and service of alcohol and operations. Best Bar None rewards responsible licensees and encourages improvement to operational standards. Excellence is recognized through six awards categories: best club, lounge, restaurant, hotel lounge, members' club or pub. There will also be a best overall award. Awards will be handed out in Spring 2014.

Best Bar None started in the U.K., and is being offered in its 2nd year as a pilot project in Ontario. It's also offered in Alberta, Canada.

For more information please contact Best Bar None Ontario at 1-855-BBN-9500.
